FETAL IMAGING → FROM BASICS TO ADVANCED

WELCOME MESSAGE

Welcome to the Dr. R K Goulatia CME 2024, hosted by the Indian Radiological and Imaging Association (IRIA) and conducted by the esteemed Indian College of Radiology and Imaging (ICRI), graciously hosted by Punjab State IRIA. It is with great pleasure that we extend our warmest invitation to distinguished faculty and esteemed delegates to join us in the holy city of Amritsar. Amritsar - Literally a Pool of Nectar, derives its name from Amrit Sarovar, the holy tank that surrounds the splendid Golden Temple. Sri Guru Ramdas, the fourth Guru of the Sikh faith, founded Amritsar in 1579. Amritsar is renowned the world over for the iconic Golden Temple, also known as Harmandir Sahib. The sacred city is also famous for the serene Durgiana Mandir, poignant Jallianwala Bagh Memorial and spirited Retreat Ceremony at Attari Border. Experience the rich history, vibrant culture, and indulge in the delectable flavors of Amritsari cuisine during your stay!
